

MY LEARNING CHALLENGES in Y4 SUMMER Term

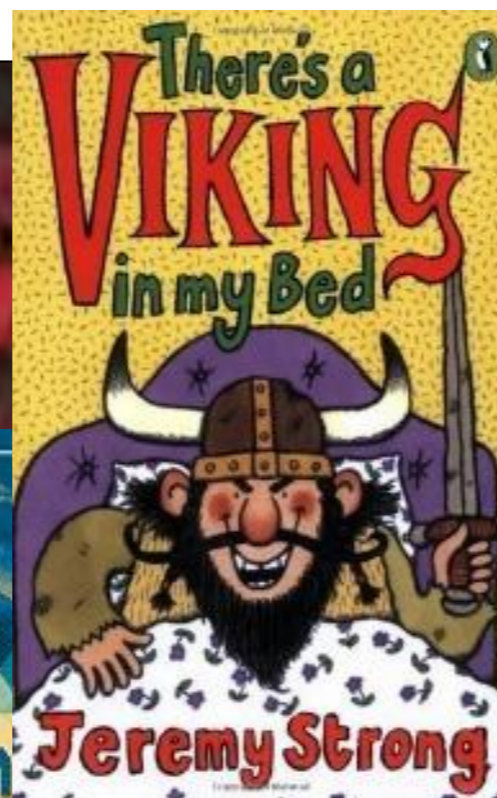

Communication and Digital Literacy The ability to speak effectively for different audiences; to listen, to understand and respond appropriately to others; participate in group discussion; communicate using a range of media (dance, art, song, thought). Digital literacy refers to an individual's ability to find, evaluate, and compose clear information through writing and other mediums on various digital platforms. Digital literacy does not replace traditional forms of literacy, instead it builds upon them.

Enquiry and Reasoning Asking relevant questions; posing and defining problems; planning what to do; planning how to research; predicting outcomes; anticipating responses; testing ideas and conclusions; improving ideas. Giving reasons for opinions and ideas; drawing inferences and making deductions; using precise (reasoning) language to explain thinking; making judgements and decisions informed by reasons or evidence.

Mathematics

- Money
- Time
- Decimals
- Properties of shape
- Position and direction

Art & DT
Viking purses
Andy Goldsworthy – Environmental art

Personal, Social, Health and Relationships
Relationships
Changing Me

Science

In a State (Summer 1)
States of Matter

Switched on (Summer 2)
Electricity, circuits

Humanities Learning Challenges

Were the Vikings raiders, traders or settlers? (Summer Term 1)

- Who were the Vikings and why did they come to Britain?
- How did the Vikings travel?
- Were the Vikings raiders or traders?
- What were the consequences of the Anglo-Saxon and Vikings' struggle for Britain?
- What was Viking life in Britain like?

Let's explore our local area!? (Summer Term 2)

- Why do places change?
- How has my local area changed in the past?

Additional Learning Challenges this term
