

MY LEARNING CHALLENGES in Y3 Autumn Term

Mathematics

Place value - exploring 2- and 3-digit numbers.

Addition and subtraction- including the column method with 2- and 3-digit numbers.

English

Zeraffa Giraffa

Listen to the story, identify key events and explore characters. Rewrite the story.

Who killed Tutankhamen?

The children read the interactive eBook, retrieving and collating information and identifying evidence in the text to support their theories.

Personal, Social, Health and Relationships

Being Me in My World

Celebrating Difference

Science

Rocks, soils and fossils. Compare and group different types of rocks.

Light and shadows. Recognise shadows are formed when light is blocked by an object.

History

What were the wonders of Ancient Egypt? What is an archaeologist and how have they helped us find out about the past? Who were the Pharaohs, and why were they very important? How did they make paper? Why did so many people live near the River Nile?

Geography

Climate Zones How does latitude link to climate? What are climate zones? How do tropical and temperate climates compare? How does climate affect plants and animals? Why is the Sahara Desert so dry? Why is the jungle of the Amazon Rainforest so wet and so humid?

French

Greetings, numbers, colours, classroom commands, days of the week, months of the year

Music

Toots – Wider Opportunities Music Hub, developing notation skills and enjoying improvisation

Art & Design
